(*please, check the box to select the journal)

Manuscript Title:

Manuscript ID:

INSTRUCTIONS

The aim of this form is to provide information to the readers about your manuscript development process with regard to contributors in writing, financial and resource aspects. This form is designed to be completed and saved electronically. Before submission, authors need to sign in their respective places.

CONFLICT OF INTEREST

The conflict of interest exists when objective of person is compromised by the desire for financial gain, advancement or successful outcome. GATR Journal Editors strive to ensure that manuscript going to be published is balanced, objective and based on evidence. The journal requires you to disclose any conflict of interest. Please, provide information as per section instructions below.

Section I

Is there any affiliation with any organization with financial interest (such as honoraria, education grants, participation in speakers' bureaus; membership, employment, consultancies, stock ownership, or other equity interest; and expert testimony or patent-licensing arrangements). If YES, please specify, if NO proceed to the next section

Name of Institution/Organization	Grant	Personal Fee	Non-Financial Support	Comments
----------------------------------	-------	--------------	-----------------------	----------

Section II

Disclose if you have potential conflict of interest related to intellectual property (e.g. patents that is planned, pending or issued, broadly relevant to the work).

Section III

Is there any conflict of non-financial interest that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work? (E.g. personal or professional relationships, affiliations, knowledge or beliefs). If YES please specify, If NO please, proceed to the next section.

AUTHORSHIP

Please provide the details of author(s) contribution in the manuscript. (E.g. First Author name and percentage of contribution; Second Author name and percentage of contribution; and subsequent author contribution, if any)
